Chief, COAPS

Assistant Director for Reports and Estimates

Conferences with United States Government Officials Returning  
from Abroad

REFERENCE: Second (COAPS') Draft of Proposed Circular Memorandum to IAC  
members, subject as above, and attachment thereto

1. Reference is returned herewith.
2. The COAPS' redraft of the proposed circular memorandum is  
concurred in.
3. The "Proposed Inter-Agency Operating Procedure" attached to  
reference is concurred in, but with the recommendation that three  
changes be made as follows:
  - a. Change : On page 2, second line of paragraph 2 (b),  
change "Department or Agency" to read  
"Departments or Agencies".  
Comment: More than one Department or Agency is likely  
to be concerned.
  - b. Change : On page 3, last line of paragraph 6, delete  
"under the provisions of NSCID-7".  
Comment: NSCID-7 comprehends CIA's responsibility relating  
to exploitation exclusively of ~~non-government~~  
officials, while this proposed operating procedure  
deals with exploitation of government officials.  
The statement "under the provisions of NSCID-7"  
therefore appears irrelevant.
  - c. Change : To the "Security Agreement" form add a third  
column at bottom of page to be headed "Department  
or Agency".  
Comment: This represents a reconsideration of the original  
ORE form and will provide a record of the Department  
or Agency sponsoring the individual at the conference.
